

Development Path

for certification to facilitate the workshop inter-generational dialogue (Generationen im Dialog®)

1. Preparation Phase – Requirements for Subsequent Granting of Usage Rights for the Workshop Concept

1.1 Workshop Participation

- At least one-time participation in the inter-generational dialogue workshop Generationen im Dialog® (hereafter briefly referred to as inter-generational workshop with a family member (parent or son/daughter).
- If participation is not possible, two additional assistances may substitute this requirement.

1.2 Professional Qualifications

- At least five years of licensed practice as a psychotherapist or clinical psychologist, including proof of ongoing professional experience.

1.3 Workshop Assistance

- Three instances of assistance under certified workshop facilitators. A list of certified workshop facilitators can be found on the website generationen-dialog.com.
- Assistance sessions must be completed under at least two different teams of workshop facilitators.

1.4 Reflection and Self-Assessment

- Submission of a written reflection on personal experiences and qualifications relevant to facilitating an inter-generational workshop.
- The reflection must be provided to the certified workshop facilitators.

1.5 Declaration of Commitment

Written commitment from the candidate ensuring the workshop concept and related workshop materials will neither be professionally utilized nor disseminated prior to completing their certification. (Note: Upon certification, usage and dissemination are permitted in compliance with the stipulations outlined in the finalized agreement.)

2. Transfer of Usage Rights

2.1 Review by the Quality Assurance Committee

The Quality Assurance Committee reviews the application and the fulfillment of all prerequisites.

2.2 Confirmation of Review Results by Dr. Sabine and Roland Bösel

Dr. Sabine and Roland Bösel are automatically informed of a positive outcome of the committee's review. If no objections are raised, they then give final approval for certification.

2.3 Confirmation

Issuance of a certificate authorizing the use of the workshop concept and related materials—provided all conditions specified in a separately concluded agreement are consistently met. One

Certification: Requirements and Procedure

as of July 2025

such condition is the requirement that workshops must always be conducted jointly with a likewise certified co-facilitator.

3. Post-Certification: Duties of Certified Workshop Facilitators

3.1 Workshop Execution

- Workshops must only be conducted in cooperation with a second certified co-facilitator.
- Prior to the public announcement of the first independently organized workshop, location, date, and co-facilitator must be communicated to Dr. Sabine and Roland Bösel.

3.2 Transparency and Copyright

- Recognition of Dr. Sabine and Roland Bösel's authorship of the concept, ideas, and materials for the inter-generational workshop (Generationen im Dialog®) workshop.
- This authorship must be clearly indicated on all documents used within the workshop and on all promotional materials announcing the workshop.

3.3 Responsibility

- Independent execution of workshops according to professional ethical standards.
 - No mutual liability between contractual partners.
-

4. Quality Assurance and Continuous Development

4.1 Reflection After First Workshop

- Submission of a written reflection on the process and experiences of the first workshop to the Quality Assurance Committee.

4.2 Qualification of New Assistants

- The certification also entitles the holder to qualify new assistants.
- Prior to their first assistantship, each new assistant must sign the written "Agreement for Assistants," and a copy must be sent to Dr. Sabine and Roland Bösel
- The agreement for assistants is occasionally revised and updated; always use the latest version. (Dr. Sabine and Roland Bösel will endeavor to inform certified facilitators promptly of any updates. Certified facilitators are encouraged to inquire proactively if uncertain.)

4.3 Networking and Cooperation

- Collaboration and exchange with other certified workshop facilitators for ongoing quality assurance and improvement.
- Optionally, facilitators can join one of our international WhatsApp groups (available in English and French).
